Fresh New Start

Taking the first, all important steps can be challenging for returning citizens. The Madison Reentry Council volunteers plan to assist returning citizens to develop a reentry plan and connect them with the community resources they need to move forward with a fresh new start.

Mission Statement:

Virginia Community Reentry strengthens public safety through a Community-Based Reentry approach that provides opportunities for adults and juveniles previously incarcerated, through the support of families and reducing recidivism

The Madison Reentry Council Approach

The Madison Reentry Council is a volunteer based organization that works closely with public agencies, non-profits, and faith based organizations throughout the region to connect individuals returning from incarceration with the services and resources they need. There is no fee at the Madison Reentry Council.

The Madison Reentry Council Priorities are to:

Raise public awareness about "Reentry"

Prepare to begin services to returning citizens as soon as possible

Reduce Barriers/obstacles to reentry
